This is your Publisher registration number

We suggest you write this number inside your manual for reference.

Serial № 211340

We have already registered you as an owner of Impression Publisher.

If you are upgrading from Style:

As part of the reduced-price upgrade arrangements, you are required to return your Style manual to us as soon as possible. Can we also remind you that you no longer have a licence to use Impression Style. You may not use the application or sell or give your discs and manuals to a third party.
